GHANAIAIN CULTURES & SOCIAL ACTIVITIES Ghanaian

Cultures are mainly base on the Ashanti-Akan(Main tribes) cultures. The popularities of our cultures are transformed to the use of Africa as a whole.

In short, Ghana cultures are base on education, traditional wears, cultures of Acts & Arts, Music & Drama, Hospitality, Fairness & Justice, Work Activities, Creative and businesses, Religion, Domestic Responsibilities & Care, Sponsorships to poor, adoption of suitable foreign cultures, and mainly Agriculture or Farming Habit.

AGRICULTURAL PENDING PROJECTS FOR SOCIAL, CULTURAL AND EMPLOYMENT REASONS.

All Ghanaiaian faimilies & extended families(Siblins and Relatives) has the habit of farming in our villages, despite the family is rich or poor. Some of the agricultural plantation are Cocoa from the Akan tribes (Ashanti Region, Eastern, Western, Brong Ahafo and Central Regions), Sheanuts and Sheabutter from the Northern, Upper West and Upper East.

However, the agricultural cultures which is also the main business focus of Afrommulticulture is also the main goals of Ghana Government.

In cooperation with Finnish food and drugs companies and boards, we hereby invite all companies and Investors who are interest in the said projects to link us as Administrator, Collaborators and Facilitators.

Below are the new interesting eco friendly and organic tropical agricultural projects.

INVITATIONS

As part of the Afro-multicultural Organisation's activities, we wish to partner with you by introducing four organic and eco-friendly nuts and vegetables from Ghana to Finland. There are many others after these four.

Our Non-governmental organization has a strong link with the Government of Ghana through the Government's Youth in Agricultural program. Our sole intention is to create job opportunities

for the youth in Ghana, at the same time given the Finnish society and businesses the opportunity to expand beyond the Finnish borders. We want your business to be the first to introduce the benefits of these hidden products in the international market.

The health benefits of these products are so enormous and high in fiber, proteins, and natural sugars, high content of soluble glucose, and oleic acid, as well as various important vitamins for the body. They are known to help in the treatment of diseases like; cardiovascular, stroke, and anaemia, reduces circulating cholesterol in the blood, diabetes, allergies, Ulcers & Low B12, etc. We are prepared to give you samples for a test if the need arises.

We wish to hold laboratory test and researches in Finland together with your cooperation.

We will furnish you with our full proposal if your business is interested in working with us.

Counting on your co-operation.

SOON, WE WILL GIVE YOU THE RICH CULTURES OF GHANA-AFRICA AND VOLUNTARY SOCIAL WELFARE SUPPORT TO POOR CHILDREN OF GHANA & AFRICA. WE NEED YOUR SUPPORT TOO. JOIN FREE
